

# World-class service for customers and clients, every time

17 hours ago.

You, [Projit Chandra](#) and [Sagun A Kasale](#)

## Recognised for "World-class service for customers and clients, every time"

Thank you Sagun, Projit and Abhijit for supporting the delivery of NTLM fix, Given that the scanning data was not available on demand, and there was no direct support available in the library to address this issue, your assistance was invaluable, Thanks Again.
