

Focus on businesses and projects where we can excel

December 04 2024 09:20 am

You and [Vamshi Raj Tanneeru](#)

Recognised for "Focus on businesses and projects where we can excel"

Thank you Abhijit and Vamshi for closing the CSM intermediate update issue in all our non production environments. This was an unplanned/unknown change, but your promptness has allowed us to limit our downtime to a minimum and get the applications up and running.
