You, [Josh Collins](#), [Sagun A Kasale](#), [Lalitkumar Karbhari Pawar](#), [Baskar Dakshinamoorthy](#), [Prathviraj Chouhan](#) and [Sanskar -](#)

Recognised for "World-class service for customers and clients, every time"

Thank you all for your tremendous support yesterday and today in addressing the ECCS baserate incident. We resolved this as a priority, successfully replayed all 4K failed events within a single day.

It is really a great example of teamwork and dedication. Lets continue this moment throughout.
Once again thank you all
